

SINCE 1917

SKYLAND CAMP FOR GIRLS

DRIVING DIRECTIONS

From Asheville/Hendersonville Regional Airport (AVL)

Coming from the Asheville/Hendersonville regional airport (AVL) or from points south (from I-95 to north bound on I-26) follow I-26 to I-40 WEST toward Knoxville and Canton.

Drive I-40 Westbound from Asheville and take Exit 27 following the signs to Clyde. This will put you on another divided highway called Highway 19/23. Take the Clyde exit off of this highway and drive through several traffic lights.

You will pass the Clyde Post Office and Clyde Savings Bank. Immediately after that make a left turn on Charles Street. There isn't a traffic light at Charles Street so watch for the Clyde Car Service and Repair Shop located on the right at the intersection of Highway 19/23 and Charles Street.

Once on Charles Street, drive over the railroad tracks, through an intersection with a stoplight and over a small bridge. You will then hit the "T" intersection of Charles St and Thickety Road. Turn right on Thickety Road and make your next left onto Spencer Street.

Follow Spencer Street as it bends to the right and then goes past the Clyde Park. Stay right on Spencer and you will see the Camp gravel road.

Follow Camp signs to the designated unloading area. ***You have arrived!***
